## Who are We - Our Purpose - Our Why

Garden of Innocence is a family of volunteers dedicated to providing loving care to abandoned babies. We invest our God given talents into providing a dignified burial to children left behind. Each baby is given a name, a poem, a handmade casket and a funeral service. Each service is unique and creates a heart warming experience for those who attend. The Garden is a place of peaceful meditation and an opportunity to love a child who was a stranger and here becomes a friend. There are countless testimonies of how the Garden experience has blessed the lives of those who attended. Our mission now is to add an additional 180 burial spaces along with burial fees for our Garden of Innocence Lawn. Through your participation in our 9th Annual 2024 Garden of Innocence Car Show Fundraiser you are helping us reach our mission goal. We are a 501C-3 Non-Profit organization.

Thank you for loving our babies with your kind and generous support.

Please also join us for our 25th Anniversary Celebration of  
the Garden of Innocence - San Diego
